

Reverse the Drop in Underrepresented Minority Student Enrollment

We, the undersigned:

- Demand that Michigan universities reverse the drop in underrepresented minority student enrollment.
- Will not accept the resegregation of Michigan’s universities.
- Stand by the fundamental principle of *Brown v. Board of Education* that separate can never be equal.
- Call on the University of Michigan and other state college administrations *to use every legal means at their disposal* to reverse the drop in underrepresented minority student enrollment, including eliminating the use of the SAT and other standardized tests with a racist disparate impact on minority students.
